Bethan is an illustrator and textile designer hailing from Sheffield in the UK, engaging in a diverse range of projects, including textiles, home decor, greetings, stationary, editorial, fashion, and packaging.

Fueled by a deep appreciation for nature and all things flora and fauna, Bethan finds immense joy in drawing and adorns their creations with bright colours and captivating patterns. Their creative haven is set in a charming home studio located in leafy Yorkshire, where they share their life with a talented musician partner and a delightful Border Terrier.
